ENROL NOW! Limited places available.

Kindermusik Village®

A place for you and your baby where all the little miracles are captured, magnified and celebrated through music, movement, touch and sounds.

A place where someone helped you peek inside your baby's miraculous little body and brain.

A place where you can take home with you treasures from the day and inspiring ideas to add this joy into your daily routine.

Busy Days is all about celebrating the rich lives parents and children share. Even the most mundane tasks or outings become extraordinary when we look through a child's eyes and experience the world as fresh and new. A trip to the grocery store, child in tow, can feel like drudgery from time to time, but imagine how the colours, shapes, smells and sounds might be a sensory feast to a little one.

We will explore songs, rhymes and games to enjoy while cruising down the aisles or while waiting in line at the register or Doctor's office.

We will go on numerous "outings" – the park, the supermarket, the beach, a visit to see the grandparents, even the doctor's office!

A special feature of Busy Days is the intentional focus on classical music with the inclusion of orchestral classics by Bach, Haydn, Handel, and

Vivaldi. Discover new ways baby benefits from the classics as you develop an appreciation for the world's most respected music.

Other upbeat favourite songs in this unit include: “Open Shut Them”, “Them Bones”, “Doctor Knickerbocker”, “Row, Row, Row Your Boat” and many more.
