Classes commencing Feb 2013.  
ENROL NOW! Limited places  
available.

A wonderful blend of the unlimited physical energies and uninhibited playfulness of the Kindermusik Our Time age child! The more than 30 songs, 15 dances, and 8 different instruments create these unique music activities, designed to reflect the importance of movement in the life of a toddler.

***Milk & Cookies:*** Make everyday home activities and chores easier and more fun with music! Cook and sing to “The Muffin Man”; dust and clean to the original song “In My House”; get ready to wash clothes to the delightful poem “Washing Machine”. Baking cookies, eating cupcakes, blowing on hot cross buns, wiggling like jelly, going grocery shopping and making tea are all represented in familiar as well as new songs. Move, play, and sing together in developmentally appropriate activities created just for 1 ½ to 3-year-olds. Capture the familiar and new moments of the day and learn how music can impact your toddler.

***Monthly mini themes:***

- **In My House:** Engage your little helper in all the fun that can be found doing everyday things around the house – from cleaning to cooking to gardening and more! Music and lively poems add extra incentives to build, dust, and do the laundry together. Experience the highs and lows of music and movement to set the stage for future understanding of pitch in music.
- **All Around the Kitchen:** Your kitchen becomes a musical laboratory of loud and quiet sounds and exploration as we sing about hot cross buns, teapots, milk and cookies, and porridge. Rocking to French and Latin American tunes provide a quiet contrast to the excitement of popping out of a toaster and jiggling on the floor like jelly.
- **Rise, Sugar, Rise:** The more the merrier when it comes to household chores and music making! Celebrate the joy of home, good friends, and family while playing a variety of instruments, snuggling for a story and relaxing rocking time, singing, and coming together for one last rousing.
